Sacramento Man Fatally Hurt In Summit Accident

Tahoe City In Darkness for Pole is Downed Nearly An Hour As

G. I. Kirk, 29, Sacramento, driver for the Greyhound Lines, suffered fatal injuries Saturday morning at six o'clock when a motorcycle he was operating got out of control and crashed into the rocks near Soda Springs. Shirley Miller, 20, also of Sacramento, who was riding with Kirk, leaped from the speeding machine and suffered only minor injuries, according to Patrolman H. B. Fowler, who investigated.

Kirk and Miss Miller were accompanied by James S. Scoville and Jean Hines who were on another motor. All were traveling east.

Kirk was rushed to a Reno hospital by the Truckee ambulance where he died at 3:30 o'clock Saturday afternoon.

The victim was well known here where he often stopped while driving the bus.

East Bay Man Arrested

Russell Carl Patterson, 49, Berkeley used car dealer, was arrested by State Patrolman Tom Sheehan Sunday at 2 AM after a car he was allegedly driving crashed into a power pole at a high speed near Tahoe City, putting the district in darkness for nearly an hour when the pole broke and a transformer fell. Patterson was alone at the time. He was treated by Dr. C. B. Pedersen.

Women Hurt

Mrs. Lulu Franks, 44, and Mrs. Fred McNalley, 66, were injured on Sunday when a car being towed by Carl Franks, North Sacramento, got out of control, causing the leading car to leave the road and wreck near Boca. Franks said he swerved to miss a bus. Dr. J. H. Bernard treated the injured. Patrolman William Gautsche investigated.

Wrong Side of Road

Fay Alvin Latter, 29, San Francisco, was cited by Patrolman Sheehan for driving on the wrong side of the road near Donner Summit Sunday after the former's car collided with one driven by Earl Bishop Wilson, 65, of Martinez. No one was hurt. Latter said he did not see the approaching car.

The accident marked the 14th during the first 14 days of July and 12 people were injured, one fatally.

Former Truckee Girl Married in Berkeley

Mr. and Mrs. E. E. Everett of Fair Oaks have announced the marriage of their daughter, Bonnie Lee to Anderson LeRoy Morford. The ceremony was performed at Stebbins Hall in Berkeley. The bride, with her family, resided here several years ago. She graduated from the University of California and has been teaching in the San Pablo school. Morford is a student of the university.

Power Boats Discussed At Lions Club Meeting

Fred Main of Tahoe Boat Company at Tahoe City gave an interesting talk before the Lions Club last night on boats and boating on Lake Tahoe, explaining the present trend and what may be expected from power craft in the future.

John D. Mitchell of Oakland was a visiting Lion and Larry Nielson of Bank of America was a guest. R. N Little presided.

Bill Englehart, Jr., was appointed chairman of the golf tournament committee for the handicap meet during August. Attention was also directed to the forthcoming annual Lions picnic, the location and date to be determined later.

Varied Offenses Draw Fines in Tahoe Court

TAHOE CITY— James T. McWilliam, Tahoe Pines, was arrested by Forest Service officers for burning without a permit and ordered to appear before Justice Evelyn Bliss. H C. Jacobs of Tahoe City was fined $25 on a similar charge while H. Brady, Tahoe City, was fined $15 for not yielding the right of way to a fire suppression truck.

Sam Landisberg, Tahoe City merchant, was fined $25 last week in Judge Bliss' court for building an addition on to his store and living quarters in town without a permit. This is a violation of County Ordinance 108, Series B. It has been reported that there are numerous other buildings and alterations under way in the Tahoe area of Placer county for which permits have not been secured. Warning is given by Judge Bliss that violators are subject to fines.

From Golden Gate City—

Miss Elizabeth Gates of San Francisco visited relatives here last week.

In Hospital—

Mrs. Geno Giovannoni is in a hospital where she was taken this week suffering from pneumonia.

Hobart Mills Is Seen As Resort In New Project

Sale of Buildings Is Halted As Plans Call For Conversion

J. X. Smith, sole owner of Hobart Mills, announced this week that plans are under way for developing a year-round resort at the once famous lumber town which ten years ago closed because of lack of suitable timber.

Smith said that the remaining buildings, which include seven good houses, the old Oliver home which he proposes to convert into a modern lodge, the large completely equipped garage, and other structures, will not be sold. Materials from the mess hall and roundhouse will be converted into rebuilding the present structures into modern dwellings. Foundations of the buildings already removed can be salvaged if the need arises, Smith said.

The town is equipped with a good water and sewer system.

Smith said that his resident manager, O. J. Allen is a competent and expert construction man and electrical engineer and that he will be in charge of the development.

It is Smith's plan to incorporate the Hobart Mills Project and permit others, preferably local interests, to join in the reconversion program.

HEART ATTACK IS CAUSE OF DEATH OF DANIELE SALA

Daniele Sala, 51, died at a Reno hospital yesterday afternoon following a heart attack.

Sala, a former Truckee business man and property owner, had lived in this vicinity since 1914, the last few years being spent in Reno.

A native of Italy, he is survived by a brother, B. Sala, of Elk Grove and a brother and sister in Italy.

Rosary will be said on Thursday and Friday at the local mortuary and last rites will be given in the Catholic Church here at 10 o'clock Saturday morning.

County Farm Advisor Is Visitor in Truckee

William H. Brooks, Nevada County farm advisor, was in Truckee this week getting acquainted and preparing for future meetings here at which he will explain the farm bureau setup and the possibilities of including a county home demonstrator.

Charles Adey Crippled In Swimming Mishap

Charles Adey, electrician for the Southern Pacific Company here, is on crutches and will be incapacitated for the next two weeks as the result of a swimming accident. Adey was swimming in Donner Creek and stepped on a broken bottle which had been thrown into the pool, badly cutting his right foot.

Road Hog Fined $5 For Obstructing Fire Truck

Failure to yield the right of way to a fire truck on a fire call resulted in the arrest of Albe G. Richards of San Francisco last Friday. He pleaded guilty before Justice of the Peace C. E. Smith and was fined $5. Richards was arrested by Patrolman John W. Torvinsen of the Forest Service.

Donner Trail Expert Has Finished Work for 1946

P. M. Wedell of San Jose, who for nearly 25 years has spent his vacations in Truckee marking the old Donner Trail, has completed this year's work by renewing the trail from Donner Lake to the head of Alder Creek, which can be used by horse riders who would like to retrace the pioneer trail for a distance of seven miles.

Wedell said that he plans a trip east but will return and be in Truckee for the Donner Centennial celebration on September 21 and 22, if possible.

Up for Fishing—

Captain George Peterkin of the state highway patrol at Roseville spent Monday and Tuesday fishing near Truckee while on his vacation.

By WALTER M. BARRETT

In issuing a warning to children who ride bicycles on the highway and streets, officers of the highway patrol are doing so only to protect the children themselves and we believe the warning well timed and important. No one wants to deprive the youngsters of the healthful recreation enjoyed on a bicycle. They simply want them to be safe. Riding against traffic on the highway is a hazard which could easily result in tragedy. The driver of a car will not deliberately run down a bicycle, but with the sun shining in his face or in attempting to dodge another car, he may not see the bicycle in time. Cutting in and out of automobile traffic is unlawful and dangerous. One of the most frequent violations in Truckee, however, is youngsters riding at full speed down the sidewalks, dodging pedestrians, when possible, and endangering those who use the sidewalks for the purpose for which they were constructed. A small child or an elderly person stepping out of a store door must watch their step or they will be run down by a speeding bicycle.

For 12 years C. E. Smith has been dispensing justice in the Meadow Lake Township justice court and has been doing a splendid job. All the township will regret that he has tendered his resignation because of failing eye sight and will give up his duties. We believe that his successor, R. N. Little, will carry on the work so well performed by Judge Smith for so many years. We feel reasonably certain that many of the policies of Smith will be adopted by Little, who is a level headed, honest citizen and inclined to be fair in his judgment.

Truckee merchants are still holding the price line despite the death of OPA. Only in isolated instances have there been price increases in most commodities and these only where the merchants increased to meet the wholesale costs to him. Trade in Truckee and save time and money.

Laundry Help Shortage Cause of Service Delay

Due to the uncertain employment situation now existing, Nat Quilici, manager of Fontana's Laundry, announced yesterday that the laundry could accept no more finish work for a period of ten days. This time Quilici said, will permit the employes to get caught up with the huge volume of work now on hand and pave the way for the usual prompt service in the future.

The temporary restriction effects nothing but the finish laundry, Quilici declared. "We sincerely regret the necessity of this action," he declared, "but under the circumstances there is no alternative. We appreciate the work and want to give fast service, but to do this we must first get caught up with the work now on hand."

Needy Aged Get $24,262 In County During May

The 526 people receiving aid as needy aged in Nevada county got an average of $46.13 during May, California Taxpayers' Association said today. Aid paid to the needy aged in the county during the one month totalled $24,262.40, with $10,254.40 coming from the federal government, $11,673.40 from the state and $2,334.60 from the county.

Average aid for the 161,523 people receiving old age assistance in California during May, 1946, was $47.56.

Bike Riders Cautioned To Obey Rules of Road

Boys and girls who enjoy bicycle riding are warned by the California Highway Patrol officers that they are subject to the laws governing the use of motor vehicles and are asked to conform with these rules.

Bicyclists have been asked to ride only on the right side of the highway, stop at arterial signs, ride at night only with proper lights and otherwise meet the requirement of drivers. Officers urge parents to instruct their children that unless the rules are complied with, citations will be issued.

Mentalist-Magic Show Is Presented at Rotary Club

Norma and Henry Banderob of San Jose entertained the Rotary Club Monday night with mental photography and demonstrations of sleight of hand tricks. Both were very clever. Mrs. Banderob is known professionally as "the girl with the photographic mind" and won the award for perfection of her profession from the Pacific Coast Association of Magicians. Theodore Schlueter was program chairman and Jack Wolert presided.

The club was invited to attend the annual Loyalton Club's barbecue at Yuba Pass on August 1.

Guests included Fosten Wilson and William Curran of Truckee, Fern Schlueter of Tahoe and Charles Pope of Reno. Visiting Rotarians were J. J. Brennan, Otto Fox and M. A. C. Boehmer, Lodi, and Henry Ford, Modesto.

Heirs, Utility District Buy McGlashan Estate

Frank G. Finnegan, attorney for the McGlashan Estate of Truckee, on Friday conducted a public auction to sell property of the estate at the Nevada County court house, with $9,000 received from the 16 parcels of land.

Finnegan states the estate has been in settlement for some years and the sales order was given some time ago. Heirs to the estate purchased approximately half of the land in the Truckee area, with Truckee Public Utility District also purchasing a large share.

Property Improved—

The service station and restaurant property on Highway 40 west of town, owned by H. S. Eaton is being improved this week by white paint with green roof trim on the building.

Tahoe Ski Club Surveys Grounds For Next Season

Tahoe City Group Request Rejection of Name For New Ski Club

TAHOE CITY— A ski club meeting was held at the home of Mr. and Mrs. A. M. Henry on Sunday night during which members of the Lake Tahoe Ski Club petitioned the California Ski Association not to permit the use of the name proposed by the newly organized Tahoe Village Ski Club. No objection was voiced to the new organization as such but to the confusion which might result from the use of the word "Tahoe."

President Ray Fellows plans to call a meeting in the near future regarding the coming winter sports season. Special attention will be given to a cooperative plan to be presented by Tahoe Tavern Company in lending financial aid in developing the club's hill above the golf links in town. A committee of A. M. Anderson, Floyd Carnell, Carl Bechdolt Jr, and Fellows met Sunday with Glenn Greene, Lawrence Curtola and Jay Flagg of the Tavern and Hobart I. Snider of the Forest Service. They will meet again to devise further plans to make Tahoe one of the finest winter sports grounds in the country. A survey of old Olympic Hill on Saturday by the group brought the conclusion that its development would prove too costly at this time.

LOCAL LEGION TO HOLD EACH WEEK UNTIL SEPTEMBER

Truckee Post No. 439, American Legion, will continue to meet weekly until the Donner Centennial celebration on September 21-22, Commander Daryl Gaiennie stated Tuesday night.

At the meeting this week, further plans for the Centennial were discussed with emphasis on a memorial service Sunday morning at Donner Monument. Proposals for various sports events, a dance and horseback rides over the Donner Trail were brought up.

Tech. Sgt. Carr of the Reno army recruiting office was a guest speaker at the meeting. Gaiennie appointed chairmen for standing committees. Those named include E. A. Parker, Wm. Curran, Bill Campbell, James McIver, H. G. Loehr, F. W. Wilson, H. F. Cardinal, Frank Kinne, George F. Kamp, E. D. Waters, Richard Bradshaw, John Gracek, Phil Kearney, A. E. Burlingham, John Saibini and the commander.

Water Safety Program Show Slated Sunday

TAHOE CITY— A series of Red Cross life saving demonstrations will be held at Tahoe Tavern pool on Sunday, July 21, at 2:30 PM. The young men and women to appear are pupils of Coach Andy Hardin who has completed swimming and water safety classes at Auburn and Tahoe City and is now holding a two weeks course at Kings Beach. The young life savers, whose ages range from 12 to 17 years, will demonstrate all the techniques used in the saving of water victims.

Participating in the demonstrations will be Maureen Hallinan, Richard Astle, Allen Schluetter, Shirley Preston, Barbara O'Brien, Ann Stoll, Norman King, Meridith Hoar, Ray Martin, Ramona Robertson, Arthur Ables, Glenn Jackson, Louise Robertson, and Michael Hallinan.

A delegation from Auburn and one from Kings Beach will participate in the program but at this time their names are not available.

Miss Stoll has just graduated from aquatic school and is assisting Hardin in giving swimming lessons. She will continue to give general lessons free of charge at Community Beach in Tahoe City.

The demonstrations will follow the Tavern water ballet under the direction of Coach Harry Pierson.

Judge C. E. Smith Resigns Position Effective July 20

Little Is Seen Likely Choice To Succeed Justice for 12 Years

The resignation of C. E. Smith as justice of the peace of Meadow Lake Township, submitted this week to the Nevada County board of supervisors becomes effective Saturday and Supervisor H. G. Loehr indicated that his successor will be Richard N. Little.

Little was elected to the position at the primary election June 5th, but ordinarily would not have taken office until after the first of next year. Smith, however, because of failing sight, decided to resign. He was not a candidate to succeed himself.

Smith has held the office for 12 years and has a creditable record as justice.

Little, who is in the real estate and insurance business here, will take over the duties of the office Monday, Loehr indicated, following the action of the supervisors next Saturday.

MYERS TAKES CHAIR AS I. O. O. F. HEAD FOR COMING YEAR

Truckee Lodge No. 162, I.O.O.F., installed Willliam Myers as noble grand at the recent installation of officers for the coming year. Other officers seated included Jerry Stacey, vice grand; F. A. Titus, William Meyers and O. T. Schumacher.

Titus was reappointed district deputy grand master to represent District 58.

TRAFFIC ACCIDENTS DOUBLE IN REGION FOR HALF OF YEAR

Motor vehicle accidents in the Truckee district, which extends from Rainbow Tavern to the Nevada State Line, increased more than 100 per cent during the first six months of 1946 over the first six months of 1945, according to figures compiled by Patrolman H. B. Fowler.

There were 74 people injured in 65 accidents in this district during the first six months of this year as compared with 33 injuries in 30 accidents during the same period of 1945. One of the accidents resulted in fatal injuries last year while three were fatally hurt this year.

Score or More Honor Englehart on Natal Day

More than 20 friends and relatives of William Englehart, Sr., met for a picnic on Sunday, July 14, his birth date, at Coca-Cola Retreat, located on Truckee River. Games and fishing, followed by two birthday cakes on the supper table, made the event an enjoyable one for every one present.

Little Miss Weeden Is Christened Here Sunday

Geraldine June, six months old daughter of Mr. and Mrs. Keith N. Weeden, was christened in the local Catholic Church by Rev. J. Boland on Sunday afternoon, July 14. Miss Patricia Mahne and Raymond Saibini acted as god parents for the infant.

Following the ceremony which was also attended by the child's maternal grandparents. Mr. and Mrs. A. B. Polyanich, Mrs. D. Saibini of Boca gave a dinner for the party at her home. A special cake for the occasion was made for small Geraldine.

Sister-in-Law of Tahoe Man Passes at Redding

TAHOE CITY— Word was received yesterday by Charles Spalding of Tahoe that his sister in law, Mrs. Allen Spalding of Dana, Calif., and her newly born child died Tuesday at a Redding hospital. The deceased is survived by her husband, four sons and three daughters. Two sons are in the service, one flying from Florida for the last rites to be held at Susanville Friday. The other is stationed in Germany.

Cemetery District Issue Election Set for Nov. 5

Looking Ahead

THE FEDERAL taxes people paid before the war were staggering (then) although the amount seems small in contrast to what they have been paying lately and probably will keep paying for several years. Just the same, pre-war taxes were big money and, even now, would be worth saving. That's exactly the point I want to make in this department today: The saving is possible.

Civilian employees of the United States government today number approximately 2,800,000 when 1,250,000 would be plenty. Even this low figure is about twice what we had six months after World War I. In short, government has 1,550,000 unnecessary hirelings now — more people than live in The Bronx, in Los Angeles or in St. Louis plus all of its suburbs. It is humiliating to think about.

Double Enough ALL of this enormous host of people are eating out of the public breadbasket. They are not to be thought about as if they had private wealth and had retired to pursue some impractical hobby. Such people as that do, at least, distribute wealth previously put away. The people I am talking about are deadweight on the rest of us. They subsist on federal tax revenue.

Since their average annual income is about $2,400 each, they are costing the taxpayers of the United States every year the staggering sum of $3,720,000,000 in salaries alone. Everybody who hires salaried people knows well that salaries are not all they cost. They have to be provided more or less space, lighted, heated and equipped.

A Huge Saving ADD to these items such matters as traveling expenses, telephone calls and incidentals, and the annual cost of having these people employed will swell to at least five billion dollars. That's more than total federal tax collections in any pre-war year. If such people could be lifted off the public's neck, the money could be saved and the public would surely feel the relief.

Such shortening of payrolls would be completely justified by savings alone, but there are many other benefits. (1) It would help to balance the federal budget, and, if it is not balanced, the country will eventually go broke. (2) It would help curb the trend toward bureaucracy, toward centralization of power and toward government by whim instead of deliberate government by law.

(3) Not the least of blessings to follow laying off these people would be to release more than one and a half million persons for productive work, letting them create something instead of living off the efforts of others. (4) Finally, it would increase the hope of saving for future generations the finest civilization this world has ever known. I submit unto you, it ought to be done.

RETAIL SALES HIT $9,530,000 IN COUNTY SAYS STATE GROUP

SAN FRANCISCO— Retail sales in Nevada County totalled $9,530,000 in 1945, according to a survey by the research department of the California State Chamber of Commerce. This is a 31.1 per cent increase in county retail sales over 1944, and a gain of 8.1 per cent over the 1939 retail sales dollar volume.

Sales of retail stores in California in 1945 totalled $6,709,271,000, according to the state chamber. This is an increase of 14.7 per cent over the 1944 dollar volume of sales, and 110.5 per cent over the 1939 retail sales Per capita retail sales in California in 1945 were $760, or 61.7 per cent over the state's 1939 per capita sales. Last year's per capita retail sales in the United States were $556, an increase from the national per capita figure of $321 in 1939.

Sales by California retail stores rose from 7.6 per cent of the national total in 1939 to approxomately 9 per cent in 1945. Primary cause of this increasing share of the national total was increasing population which rose from 5.3 per cent of the national total in 1939 to 6.7 per cent in 1945.

TAHOE CANDIDATES FILE CAMPAIGN COST BILLS WITH COUNTY

AUBURN— Tom Doherty of Kings Beach and C. W. Vernon of Tahoe City must each pay a $10 filing fee to appear on the November 5 general election ballot, according to the county clerk's office. Both men otherwise qualified as write-in candidates at the primary election for justice of the peace of Township 11, Lake Tahoe.

According to the official statements of campaign expenditures filed with the county clerk, Doherty spent $71.31 in his campaign while Vernon reported expenses of $56 in the primary campaign. Carl Bechdolt, unsuccessful candidate for the same office, reported $95 as his expense.

In the primary race for constable of the same township, incumbent Harry Johanson spent $94.78 to defeat his opponent, Franklyn E. Walker who reported spending $33.50.

In the county-wide race for sheriff Pete Badnovich topped all other county candidates with expenses of $912.12. Sheriff E. J. Kenison's successful campaign cost $482.32 while his second opponent, A. A. Pilliard, spent $329.60. Al Bequette, successful candidate for superintendent of schools spent $206.80 against $382.20 spent by Henry Ninas of Roseville.

DONNER DOCUMENT IS PUBLISHED BY CAL HISTORY PROF

BERKELEY, July 18 —(UP)— The University of California announced this week that one of the most famous and valuable documents of California recording the ordeal of the Donner Party has been published.

Entitled the Diary of Patrick Breen the journal recordings the hardships of the pioneer party which was stranded in the Sierras in 1846-47 has been published by Dr. George R. Stewart, professor of Engish on the Berkeley campus of the university.

Published under the Book Club of California imprint, the diary establishes the actual text of the original and represents it with a facsimile of the original.

In his introduction and notes, Dr. Stewart explains incidents not included in the diary, bringing to his subject the knowledge of the Donner Party which he gained in writing his previous book on the subject, Ordeal by Hunger.

LAKE WOMEN'S CLUB MEMBERS TO GO TO SESSION IN TRUCKEE

TAHOE CITY— Five Tahoe ladies, Mrs. Jean Callender, president of the Women's Club of Tahoe; Mrs. Floyd Carnell, Mrs. Vera Frazier, Mrs. Charles Spalding and her daughter Mrs. Michael Riordan of Sacramento attended the Wyethia Club's Silver Tea on Thursday last in Truckee. The reported a most enjoyable afternoon.

On Thursday, July 18, a group of the Tahoe club plan to attend the meeting of the Wyethia Club when they will honor Mrs. Lilah Hazelton president of the northern district of the state federation of women's clubs Mrs. Callender and Mrs. Carnell have accepted an invitation to serve as co-hostesses for the occasion.

Next meeting of the Tahoe club will be on August 1st at 2 PM.

Recent guests at Tahoe's Homewood district were Mr. and Mrs. Jack DeBenedetti and son of Westwood who enjoyed two weeks at the lake. His family were former owners of the present Morgan-Tissue estate in Sunnyside.

Shortages are holding him back

We in the Bell System were adding telephones at the rate of three million a year until shortages started getting worse. Now it's harder and harder for us to get materials for manufacturing and building.

We aren't complaining for we are in the same boat as every one else. But we thought you might like to know the supply situation on some of the biggest items in the telephone business.

LEAD—There is a world shortage of lead. Even when conditions here straighten out, it will be some time before adequate supplies are available.

COPPER — In great demand but we will probably have adequate supplies when the smelting, refining and fabricating plants get going.

TEXTILES — Serious shortage of cotton and synthetic yarns and fabrics, with demand greatly exceeding supply.

STEEL — Steel and coal strikes have affected supply in face of unprecedented demand.

RUBBER — Synthetics are in fair supply but natural rubber is on Government allocation.

LUMBER — Scarce supply due to unprecedented demand and dislocation of lumber trade.

BRASS MILL PRODUCTS — Used in Central Office switches and other telephone equipment. Supply will be short until disturbed conditions are settled in the copper industry, permitting brass mills to get back to full-scale production.

It's a tough situation, but we aren't giving up, any more than you have given up trying to get butter or sugar or shirts.

We're doing the best we can with what we've got and hoping these disturbed conditions will end, so we can really go full speed ahead.

Too often the men and some of the women of a community are apt to regard women's clubs as gossip parties. Somewhere the cartoonist's dream of a women's club may exist but it's a long way from Truckee or Tahoe where the liviest community betterment groups are to be found in the Wyethia Women's Club and the Women's Club of Tahoe. In the case of the former, when other organizations were moaning about the lack of a library, the Wyethia did something about it; they have consistently gone out and WORKED for every worthy cause from war relief to traffic safety; right now they are working on getting a pre-school clinic in Truckee—and with the assured cooperation of Dr. Bernard, they'll get it. And their sister organization has consistently, year in and out, boosted Tahoe; they have been the guiding spirit behind heavily over-subscribed War Bond and Red Cross drives; they have helped the Girl Scouts get a start, and they, right now, are working at securing an ambulance and resucitator for Tahoe emergency use. Ladies, you can keep on those silly look hats and take them off to no one. My hat's off to you—singly and collectively.

HIGHER LAKES ARE STILL SNOW BOUND TAHOE ANGLER SAYS

TAHOE CITY— Jim Wilson of Tahoe Cedars, who has just returned from a fishing trip to the Vellman and Rubicon region, reports too much snow still remaining at the lakes and two much feed on the bottom for the fish to rise to bait as yet. He came home with a nice limit of trout from Five Lakes Creek, where Game Warden Bill LaMarr recently checked with fishermen coming out of that district and found them to have very good luck.

Allan Pollitt, supervisor of Tahoe fish hatcheries, reports his crews began on Sunday, July 14, planting Eastern Brook and Rainbow trout in the high alkes of the Wright Lake and Mt. Ralston district. In another week work will have been completed there and planting will continue in the Echo Summit and Desolation Valley districts. Figures are not available at this writing.

Tahoe Man's $25 Fine Suspended in Cub Killing

TAHOE CITY— W. J. Urch of Tahoe Pines, who shot and killed a 60 pound bear cub in his yard on Sunday, was given a $25 suspended fine when brought before Justice of the Peace Evelyn Bliss by Game Warden Bill LaMarr at Tahoe City. Extenuating circumstances brought about the suspension of the fine. Urch about a month ago reported to LaMarr that a large bear, described as between 300 and 400 pounds, broke into an outside cooler and devoured his bacon and eggs. The warden advised him to phone the officer's house should more bears bother him and he would take steps to relieve the situation. Urch said he understood the warden to tell him to shoot them should any return and Sunday as he saw the bear crossing his yard, he ran into the house, got his gun and shot it.

LaMarr requests that any Tahoeite who has had trouble with bears in causing property damage to report to him by phoning LaMarr Station. He is anxious to learn if local bears and their cubs do anything more than turn over garbage cans and help themselves. Some advocate killing all bears but the warden does not believe such measures necessary or desirable. Except for frightening vacationers and residents occasionally, they do no harm and act as scavengers, keeping the forests clean of refuse.

Tahoe Letter

From SWANEE

Tahoe City, California.
July 14th, 1946

Dear Tahoeites:

What a beuatiful Sunday this has been, with a slight breeze and warm sunshine. Literally thousands of cars are visiting our fair shores these days, and today Charlie Steffans of the highway department was assigned the task of keeping tab on the traffic, an almost constant line of cars traveling in every direction. At that time, during the afternoon, cars were averaging 300 an hour as they passed his stand at Tahoe City wye. And yet, despite the seemingly endless string, motorists for the most part are driving with care and consideration for their fellow travelers. Worst offenses are lack of hand signals and passing on curves and crests of hills. We Tahoeites greatly appreciate our visitors keeping our fair accident record as clean as possible. Even with the enormous amount of traffic here, accidents have been held to a minimum.

But, although the public in general is inclined to behave orderly, there are always some who are exceptions. Take the case of James Charter Norris of Hill Road, Oakland, who was arrested on July 11th and brought before Justice of the Peace Evelyn Bliss of Tahoe City. She fined him $15 for driving on the wrong side of the highway on curves and suspended his driving license for 10 days. Undeterred, he was picked up by the highway patrol very shortly afterward down the Truckee River for speeding and driving after his license had been suspended. Then take the case of Russell C. Patterson of Hawthorne Terrace, Berkeley. He crashed and broke completely off a power pole on the highway at the north approach to Tahoe City on Sunday morning around 2:10, demolishing his car and waking the sleeping citizens of the town with the earsplitting noise. Scene of the wreck was across the street from the Rogers cottage, rented for the season by the Fred Mains. Fred hurried to the aid of the unconscious man and was soon joined by Stan Martin and Constable Harry Johanson, the latter taking him to the Tavern office of Dr. C. B. Pedersen for medical aid. The doctor described his injuries as minor—a badly lacerated chin and abrasions of the face and hands. The wreck was taken to the garage by Henry's tow car and Patrolman M. A. Peterson later filed drunken driving charges against Patterson before Judge Bliss. Bail was set at $150. Lucky for some motorist he hit a telephone pole instead of a machine filled with law abiding.

Latest local lad to join the service is Billie Callender, son of Mrs. and Mrs. Ben Callender of Waleswood Lodge. On Friday, July 5th, Bill and his folks motored to Reno where he signed up for three years with the navy. On Friday, July 11th, Bill left for Salt Lake City induction center, took his physicals on Saturday morning and passed with flying colors. His mom received a letter from him stating his was on his way to San Diego and was looking forward to his new career with real anticipation. Mrs. Callender's nephew, Bert Hemenover, now an ensign in the navy, is at present stationed at New Orleans, where his ship is undergoing repairs. He reports the weather hitting 100 degreres, with heavy showers visiting the area at frequent intervals. Young Hemenover spent a two weeks vacation with the Callenders at Tahoe last fall. Almost forgot to send along birthday greetings to Billie who turns 18 on July 18th.

From the Roy Starks of the Dollar Estate we learn this week that their son Bob, who was recently home on furlough, arrived back at his base at San Diego to find that all but 10 of his former pals had been shipped up to Treasure Island. He was accompanied back to camp by Billie Peterson of Kings Beach who also spent an enjoyable visit home at the same time as Bob. Home for a week's vacation at the Stark's are their son Jay and wife, who live at Riverside. Jay is an airplane mechanic and has acquired his private pilot's license.

Tahoe is welcoming back to the fold one of her favorite sons, former S1c Curt Stoddard, who on Friday last returned to his home and family in Lake Forest. Curt spent 20 months in the navy and saw service on a minesweeper at Okinawa during the typhoon, at Hawaii, Guam and along the China coast. He's a little thin but his mom's home cooking will soon see him taking back some of that lost weight. He plans to vacation this summer and in the fall will attend Auburn Junior College where he will take a course in dentistry. His brother Lee and family are peacefully farming on a ranch in Colorado and sister Betty, Mrs. Harvey Seikert, whose hubby is still stationed in Tokyo, is recuperating from her recent appendectomy. Their little son Billie is being cared for by Harvey's sister, Mrs. Mary Stirling of Burbank. Efforts are being made by the American Red Cross to have Harvey sent home, as his wife is in critical need of his assistance.

Son-in-law PFC Bill Steenis has received a seven day extension of his leave from Camp Beale in order that he may be with his brother, Bob now a patient in the Veteran's Hospital in Reno. Bob will undergo a very serious operation on the morrow, a brain specialist coming in to perform the delicate task. Doctors have failed to determine his exact illness, but it is attributed to a peculiar nervous disorder, received during his three years service in the European theater.

Jimmie Frazier, son of the Ray Fraziers of Lake Forest, who recently moved back to Tahoe for the summer from Auburn, is now employed in the yards of the Snyder Lumber Company. His guest, Gunner 1c Roland Debler of Sacramento, left on Monday after having enjoyed a part of his 30 day leave at Tahoe.

Harry Evilsisor of Fallon, who with his wife, vacationined at their Lake Forest summer home recently, reports that he is anticipating delivery of his new ambulance any day now. When it arrives the one he is now operating will be turned over to the residents of the Tahoe area, for use all around the lake. The voluntary subscription drive to be staged among Tahoeites and resorts and business firms to pay for the vehicle should tsart within a short time now under the auspices of the Women's Club of Tahoe.

On Thursday had an unexpected visit from Mrs. Sherwood Prusso and little daughter, Judith Dian, and Mrs. Roy Teagarden and daughter Sigana now vacationing at the Prusso summer home near Carnelian Bay. Little Sigana will be tendered a birthday party on Sunday, July 21st when she turns four years. Present will be Uncle Don, Ray and Sheri Prusso, Aunt [illegible] Van Nessa ther Don Leroy. Cake and ice cream will be features of the party. Sigana's daddy, Roy Teagarden, is now serving with the infantry in far off Korea and on August 1st he, and thousands of other fathers, can ask for discharge from service and for Roy, he can't get back to God's country soon enough.

More letters arrived from son Jimmie in Germany and all is well, with the exception of a recent appendicitis scare, which upon medical examination proved groundless, although a pain in his side persists. He sent some very interesting news in his last missive but I must get an okay from him before disclosing is. He describes the weather as getting hot with the approach of midsummer.

Ring off for another week and trust this finds all in the best of spirits and health. Should have a nice surprise for you Tahoeites within a week or two. Best of good wishes and adios, as ever, Swanee.

Mr. and Mrs. F. D. Smith Sr. of Fresno, parents of Doug Smith of Tahoe City, enjoyed a week's visit at he Smith home here recently. Mr. and Mrs. Doug Smith visited in Auburn over the weekend.

All our meals are planned by trained dietians. They know how to balance a meal and make it tasty and attractive, too. No need to worry about vitamins when you eat here.

TAHOE BRIEFS

Mr. and Mrs. Walter Mandeville of Lake Forest on Monday celebrated their 6th wedding anniversary with a special dinner party. On June 29 Mrs. Mandeville observed a birthday. On Sunday, accompanied by their three children, Valerie, Skipper and Larry, and Fred Setley, they motored to Minden where they spent the day at the home of friends.

Dr. George Hinkle of University of California at Berkeley spent the weekend at the family home in the Bittencourt Tract.

Fred Setley continues to gain strength at his Lake Forest home with each passing week but his doctor advises no work for some time.

On Friday last Mrs. Bliss Hinkle motored to Nevada City to attend the auction of her parent's estate, C. F. and Leonora McGlashan. Mrs. John Erickson taught her high school classes during her absence.

Miss Barbara Dozier of Sacramento arrived on Monday to spend a week at the A. M. Henry home in town.

PAINT?

ARE YOU LOOKING FOR THE BEST THERE IS?
Well—we have a stock that is hard to beat—up here in God's country or down below. If we might be out of something particular—well again—we'll get it in about two days, or even sooner. So look us over, for we are:

General Paint Distributor

FLEX QUICKSTEP 100% PURE PAINT SHELLACS
VARNISHES LACQUERS
LINSEED OIL TURPENTINE CREOSOTE

IN STOCK AT THIS WRITING WE HAVE
In five gallon drums we have green, buff, brown and light brown. Just the colors you need for that new place, and at $2.75 a gallon you can't beat it.

We also have 100 per cent pure paint in five gallon drums down through quarts. This is something, for you can't get much of this kind of stuff right now.

Yes—and so on ad infinitum—there's so much to tell.

—O—

We handle a complete line of hardware and a mess of things that you wouldn't expect to find up here. But folks, here's the idea. We think of this area as the best place on earth to live—and so do thousands of other real people. So we have kept this store open winter and summer and think of the business just as a similar business does in Reno, Sacramento or San Francisco. Well that means we have to serve the people—and we're doing our level best. It's been a tough row to hoe, but cuss though we may, we love it.

..Now, just one more thing—OPA or not, our prices have been and will continue to be RIGHT. To us it's just GOOD HORSE SENSE. Heck! We don't want you to go to Reno, Carson and far away. And that means right prices and service. So give us a try—you might and will be surprised.

RODEO IS SLATED AT KELLER RANCH ON TAHOE ON SUNDAY

BIJOU— Next Sunday, July 21st, at the Keller Ranch on the south end of Lake Tahoe at Bijou, the Lake Tahoe Rodeo will be staged under the auspices of Earl Barber. This event typifies the spirit of the old west which lives more vividly in California than any other place in the country. It carries you back to the early days of the pioneer when the cowhands gathered for this rugged sport. It was in the spirit of conquest and competition that these cowboys took their chances in such events as riding wild horses, bronco busting, bull dogging, calf roping and Brahma bull riding.

This tradition of the rodeo has been handed down and today ranks as one of the most exciting forms of entertainment that one can enjoy.

Next Sunday's rodeo at Lake Tahoe will feature the famous Bob Barmby's rodeo stock, which is one of the finest collections of bucking horses outlaws and Brahma bulls to be found in the state of California.

World champion cowboys will be present to pit their skill one against the other for points that will count in the annual national 1946 rodeo championship. Not only will the tough cowboys of the range compete at the Lake Tahoe Rodeo next Sunday, July 21st, but there will also be the singing cowboy, Jimmy Doss, who will sing as well as entertain with trick and fancy roping. Clowns, too, will furnish levity for the occasion. The rodeo appeals to young and old alike, to horsemen and to those who have no interest in horses, but who like the glamor of the bucking horses, the fearless cowboys and the mean Brahma bulls.

The Lake Tahoe Rodeo will start promptly at 1:30 pm. It will be preceded by a parade beginning at 12 noon to be led by Don Cox, sheriff of Sacramento County and the Sacramento County sheriff's mounted posse.

"Wimpy's" has not changed hands it is still owned and operated by Al and Betty Graber who will, if and when they sell their place, put a statement in this paper.

Several Fires In Tahoe Area Quickly Brought Under Control in Week

TAHOE CITY— The Tavern dumps up Bear Trap way have been burning for more than a week now, with cause of the fire uncertain but is believed to have been started by someone leaving hot ashes there in a box.

This was one of five fires reported in the Tahoe area by Dispatcher William F. Curran. Two of these occurred near Kings Beach, caused by careless dumping of hot ashes and debris burning. Willis Hall, Stateline lookout-fireman, saved a building from burning on the E. R. Garrow property near Kings Beach July 14, rahs truck and put out the fire that had started from an over heated oil water heater.

A small fire near Five Lakes caused by an unextinguished campfire was suppressed by members of the Truckee Forest Service crew after quick action of reporting this fire was made by members of Skylake Boys Camp near Brockway, who were camped nearby and kept the fire from spreading, saving many acres of valuable timber, Curran said.

A bit of excitement was stirred up Monday night when some oil in an old pump house caught on fire on the old railroad right of way near the Tavern, the smoke billowing into the sky, mingled with the glare of the fire. Many thought the Tavern was on fire but such was not the case. The Forest Service truck was on the job quickly and its fire hoses down to make certain it was kept under control.

F. A. KILNER BUYS MIRAMAR HEIGHTS FOR SUBDIVIDING

TAHOE CITY— Of interest to local residents is the sale reported last week by William Lambert, Tahoe Park realtor, by which Leslie Gay of Redlands sold to the F. A. Kilner Company a choice strip of lakeshore property, jus south of Fernmoor. The property runs 550 feet along the lakeshore and 500 feet back to the highway and is known as the Miraman Heights district. The Kilner Company plans to subdivide the strip into four lots of 125 feet each for choice residences.

Lambert, who reported he closed the deal on Saturday last, entertained Gay at his home for several days during his visit here. Lambert originally purchased the property back in 1908 and sold it to Gay's father in 1912.

Game Bird, Deer Season Prospects in State Good

SACRAMENTO, July 18 —(UP)— Prospects are for better duck, quail and pheasant shooting in California this fall, the state division fo fish and game reported this week.

The pheasant hatch was "much more encouraging" this spring, with broods of five to 15 noted throughout the pheasant area, state wardens said.

They added that young ducks are showing up in goodly numbers in the Sacramento Valley, and that the quail hatch is "not disappointing."

The divisions bureaus of game conservation and patrol report that deer in the coastal area will be in fine shape for the opening of the new season as recently set by the commission to open August 7 and close September 15.

On the hunter's side of the picture, the division estimates the sales of fishing and hunting licenses will bring in a total of $1,500,000 in 1946.

The division said it originallay had ordered 100,000 more licenses printed for 1946 than for 1945, when $1,115,000 worth were sold, but had to order another 200,000 printed.

Bay City Assemblyman Is Candidate for Speaker

SAN FRANCISCO, July 18—(UP)— Thomas A. Maloney, speaker pro tem of the California state assembly for the last two years, has formally announced his candidacy for speaker of the assembly at the 1947 session of the legislature.

The San Francisco assemblyman said his "years of experience coupled with occupying the position of speaker pro tem at the last two sessions of the legislature qualify me to be elevate to the important position of speaker."

Other Republicans who have beer mentioned as candidates for the position are Albert C. Wollenberg of San Francisco, administration floor leader, and C. Don Field of Glendale, who led the fight at the recent special session for the $90,000,000 city-county suventions bill.

Democrats considered in the race include Alfred W. Robertson of Santa Barbara, Democratic floor leader and vice chairman of the Democratic state central committee, and Julian Beck and Ralph C. Dills of Los Angeles county.

State Aid to Schools In Placer County Is Up

AUBURN— Elementary schools of Placer County received $312,082 out of the state treasury, California Taxpayers' Association said last week.

The 1945-46 state support showed an increase of 30.3 per cent over the $239,556 state apportionment for 1944-45 and 41.3 per cent more than the $220,833 for 1942-43.

The 1945-46 average daily attendance of the elementary schools of the county was 3,324 or 5.1 per cent more than the 1942-43 average daily attendance of 3,162.

Nevada County Balance Over Half Million Mark

NEVADA CITY— Miss Elma Hecker, county treasurer, stated last week that there is now in the county treasury a balance of $513,980, as of June 30, close of the fiscal year. This compares with a $473,984 balance for the previous fiscal year.

State Roads May Go Back To Counties Says Solon

EUREKA—State Senator Randolph Collier, chairman of the joint legislative committee on highways, streets and bridges, speaking at Eureka recently, stated that the state highway system has about reached its maximum mileage.

He said approximately 13 per cent of 12,700 miles is in the state highway system, while the average percentage of state highways throughout the nation is 11 per cent.

The committee, Collier said, is giving serious consideration to the advisability of returning some state highways which are local in character back to county jurisdiction.

RELAMP
Protect Precious Eyesight
See your nearest lamp bulb dealer today. Get the bulbs you need to protect your family's eyesight.

Fill Empty Sockets — Put in Right Size Bulbs for Easy Seeing

Tonight, look around at the lighting in your home. If a lamp or lighting fixture seems dim, look at the light globe. If it is darkened with age and use, it is not giving you the light you are paying for and will soon burn out. Then count the empty sockets and the small-size bulbs that were put in temporarily some time ago.

Make a list of the lamp bulbs needed to restore bright, new lighting throughout your home. Take this list with you when you go shopping. You will find the lamp bulb supply is now plentiful. Good lighting is inexpensive. Use plenty of it.

Living Room. Protect your family's eyesight. 150-watt bulb is right size for many reading lamps.

Kitchen. For that overhead light in the kitchen you need at least 150-watts. Be sure you get right size lamp bulbs.

Child's Study Lamp. Young eyes are too precious to risk. Better get a 150-watt bulb for your child's study lamp.
